Property Description

Discover an exceptional investment opportunity in one of Guanacaste's fastest-growing beach communities. This 2,639 m² (28,405 sq. ft.) mixed-use lot is ideally located in the heart of Playa Negra, offering the perfect setting for a boutique commercial project, vacation rentals, residential development, or a combination of both. With mixed-use zoning and an approved water availability letter, the property is ready for your vision. Whether you're planning a surf-inspired boutique hotel, retail spaces with apartments, a wellness concept, or your dream home with income-producing units, this lot offers outstanding flexibility. Playa Negra is internationally recognized for its world-class surf break while maintaining the authentic charm of a laid-back beach town. The area continues to experience steady growth, attracting international residents, entrepreneurs, and investors seeking a balance of nature, lifestyle, and long-term value.
