Property Description

Elevated, Ridgetop, Jungle-Clad Lot Located in a Popular Ojochal-Area Gated Condominium Neighbourhood Puesta del Sol (Sunset Point). Privacy & Peace due to 24/7 electronic & manned access gates & a No-Exit Street Location. LOCATION Sitting in a rainforest-enclosed dead-end street (but minutes away from) Ojochal's bustling central area, this lot gifts a peaceful oasis in the middle of Costa Ballena's famous expat enclave. The nearly end-of-road location and 24/7 gated and staffed access control ensures privacy & security. The property's elevated location with engrossing rainforests and nearby valley river put you in the thick wonderland of a primeval jungle – but a hot barista coffee, a traditional Gallo Pinto breakfast or a fancy dinner are just a quick drive away! And the wilds of a wildlife corridor span behind the property – in fact, just over 3 km away, the mountain peaks and their thick rain and cloud forests reach 1,100m or 3,600 feet ASL.
