Property Description

Commanding one of the most remarkable vantage points along Costa Rica's Pacific coastline, this exceptional ocean view lot presents an opportunity of rare distinction. With an extraordinary 190-degree panoramic view, the horizon appears to dissolve into infinity, creating a breathtaking backdrop where the Pacific Ocean stretches endlessly before you; it feels unreal...From this privileged setting, gentle ocean breezes flow year-round as sweeping views encompass the entire Gulf of Nicoya, offering a constantly changing seascape of shimmering waters, passing wildlife, and dramatic skies. Few locations offer the rare privilege of experiencing both magnificent sunrises and spectacular sunsets from the same residence—an extraordinary daily display of nature's artistry. During the migration season, whales and dolphins are frequent visitors, while frigatebirds and pelicans glide effortlessly over the Pacific.
