Property Description

Situated in Southern Costa Rica, this ocean view property is ready to be built on. This Dominical beachside community offers residents full access to some of the most amazing beaches and coast line in Costa Rica. It provides the utmost privacy, while also maximizing the awe inspiring panoramic ocean views beyond the jungle canopy. Don't miss this chance to build your dream home along this incredible stretch of Southern Costa Rica coastline. Within 5 mins of the charming town of Dominicalito, which is a blended international community of Costa Ricans, Canadians, Americans and many other representative cultures. All this convenience, yet with up to close personal rainforest hills bursting with life and including, parrots, pizotes, scarlet macaws, and many different monkeys.
