Property Description

This prime 2-acre luxury home site is located off of Pacific Edge Road, one of the most desirable places to live in Costa Rica. The property features a unique ocean view highlighted by some of the most iconic places in the Dominical area. While most properties point either to the north or south, this property boasts a 250- degree whitewater ocean view that faces in a direction that will allow you to see it all! The coast of Manuel Antonio is visible to the north, Dominicalito Bay and Punta Dominical are located directly below, while Cano Island can be seen to the south! No matter what time of year, you will be able to enjoy unobstructed sunset ocean views. Located in a neighborhood populated with million dollar homes, this lot is the largest of its kind. Located in Reserva 1, adjacent to the Las Olas and Solemar communities, this subdivision is known for its big views and reserve spaces that allow nature and wildlife to prosper.
