Property Description

One of the best downtown area Samara lots available. This property has the convenience of being located just a short walking distance to the beach and all the amenities that Samara has to offer yet it's quiet, private and secure. The property is a total of 2,422 m2 and it's surrounded by lush forest jungle. The zoning in the area allows for commercial use and the property is even sub dividable. There is a beautiful Sandal tree in the middle of the property that blooms beautiful pink flowers in the summer time. There is a small ocean view platform from the south side that would be perfect for a yoga deck. Included with this property is small boutique hotel plans that could be used to apply for building permits. This is a great opportunity for someone looking for a convenient location to build their dream home or someone looking to develop a business.
