Property Description

This beautiful ocean view villa, in the exclusive hillside community of Canto del Mar, is the ultimate in vacation get-a-ways. Located right above the beach, this villa is easily accessible and is elegantly furnished and landscaped to create a relaxing and tropical feel. This villa is situated in one of the best locations within the development, a corner lot allowing for unobstructed 270 degree views of the beach and ocean. Additionally, it has been upgraded from the standard, to include 5 AC units (instead of 2), 3 bedrooms (standards have just 2), and custom designed furniture. When looking to rent out this unit, a rental website and domain name is also included. The villa is being offered turn key, meaning all furniture, linens, appliances, and electronics are included. This villa is being offered at an incredible price, this is not only a luxury purchase, this is a great investment!
