Property Description

This charming, 2,000 square foot home is just off the main coastal highway and sits on 3 acres, with views of the Pacific Ocean during the day and the lights of Uvita at night. The home sits at 800 feet above sea level and enjoys cool ocean breezes and an abundance of wildlife; especially Tucans and monkeys. There is plenty of room to add a pool on the ocean side of the home. The large patio and balcony provides additional living space to relax and enjoy the views. The home is sold fully furnished - ready to move in! It's equally suitable to for a rental or second home for those who want to get away but still be close to all of the conveniences.
