Property Description

This almost 1 acre lot has some of the most panoramic ocean views in the southern Pacific zone of Costa Rica; including the famous Whale's Tail reef formation in the Ballena Marine Park, and Cano Island. The lot has a large building site and is set off from the road. Water is installed and operational. Electric service is at the lot. Access to the Costanera, beaches and outdoor activities is quick and easy. This is one of the few roads in the area that is not dirt and gravel. Soil test and building renderings are available.
