Property Description

Villa Grande is a great home perched on the top of the hill of Manuel Antonio providing panoramic views of the mountains to the east and all the way down south towards the coastline of Matapalo to Dominical. Currently this 5 bedroom 5 1/2 bathroom home is currently being used as a Manuel Antonio vacation rental home and a new owner can either continue with the profitable business or use the house for personal use to enjoy all that Manuel Antonio has to offer. The main part of the house has two master suites each with their own master bathroom, one perched on top of the house providing uninhibited views out over the land to the sea and the other master suite consists of entire floor with a very large bathroom. There are also 2 separate apartments below the house consisting of three bedrooms each with their own bathroom. One of the best features of the home is the place where the visitors and owners like to spend the majority of their time when at the house, by the pool.
