Property Description

This ready to build ocean view lot is located in Escaleras above Dominicalito; which is one of the most desirable areas to live in the Costa Ballena. Measuring 1.77 acres of land which borders a creek with jungle setting. The building site is open and has been prepared to offer great Pacific Ocean views plus rain forest covered mountains. Power runs along the well maintained road access and there is a water source in place to the site. The Escaleras mountains have historically been the most valuable real estate in the Dominical area and this lot is priced to sell in today's market. If you are looking for an ocean view lot with good access close to the beaches and amenities of Dominical and Uvita; then this is an outstanding option!
