Property Description

Amazing opportunity to own a very private, large mountain-side lot with ocean views and two building terraces in the Hacienda Delicious development. Water and electric are already provided to the property. The lot is greater over 2 acres in size and priced aggressively based on recent ocean view sales in the surrounding Garza area. It has a private driveway that leads to two graded terrace home sites, perfect for constructing your new hillside ocean view home. The lot is less than a 7 min drive to the beautiful blue waters of the fishing village in Playa Garza, close to grocery stores and restaurants.
