Property Description

The Hills of Portalon is an excellent investment opportunity as a high end eco friendly development. The prices include ownership in approximately 150 acres of your own private biological reserve. Private nature reserves border many of the lots and insure the purity of the surrounding land, so full of life and beauty. The Costa Rica Farms for sale in Hills of Portalon Estates are in a quality and a true country atmosphere along with some of the most impressive ocean views anywhere. The hills meander upward in a lush green covered carpet. With elevations from 500 to 1300 feet you are always caressed with a nice ocean breeze. Scarlet Macaws and monkeys, among other wildlife will regularly visit you. Here you will find costa rica luxury real estate farms for sale and properties between Quepos and Dominical Beach. A consciousness of the energy force is obvious in the Hills of Portalon and it will captivate and invigorate you.
