Property Description

This unique 108 acre farm is located 35 min North of Dominical, It features 500 mts river frontage with multiple year round waterfalls, one measuring 30 feet tall and another one measuring over 100 feet tall. Multiple small swimming pools are found along the river as well as natural rock water slides. The land consists of a mix of pasture, forest, several year round springs, and offers deep valley views out to the sea. Altitude is up at cooler climate, and definitely rural back country setting with views of a lush vertical mountain range and down the valley. Looking to grow food supply, or create the eco-village with permaculture farming in mind, look no further, this has all the right ingredients!
