Property Description

Casa Estrella is a star-quality estate and property. Offering 5400 sq ft of living space and additional 300 sq ft of outdoor space. An infinity pool and hot tub surrounded by deck and outdoor dining and lounging areas add just the right touch. This Luxurious, custom vacation estate with spectacular ocean views enhanced by the property gardens and surrounding jungle offers an abundance of natural light in every room. Virtually every vantage point offers an unobstructed view of the blue ocean waters below, the gardens, and the surrounding jungle with a vast variety of native plants and wildlife. White-faced monkeys are a common sight along with other varieties of wildlife. Attractive and comfortable interior furnishing provide a relaxed and inviting atmosphere. Custom-crafted, natural furnishing feature distinctive pieces constructed of bamboo, organic cottons, silk, and stone in a color palette that reflects nature itself.
